

**Mā te huruhuru ka rere te manu**  
Adorn the bird with feathers so it may soar.

Having trained in Multisensory Structured Language Education through the Australian Dyslexia Association I am excited to be joining the ACE Education team of MSL Specialist Educators. I bring over 20 years of teaching experience and have worked in the education sector within NZ, England, Scotland and Vanuatu.

I have a love of teaching and enjoy working 1:1 with students - developing individual, specific learning plans which support students to reach their potential. I am looking forward to building relationships with students and whānau and supporting our ACE learners in their literacy journey.

Here at ACE Education we stay up to date with current, evidence based research, through readings and professional development. As MSL is our passion, we like to share this information, so feel free to have a chat, check out our website or follow the links on our newsletters for articles of interest.

On a personal note, I am a Mum of three - who enjoys reading, squash, tramping and exploring our beautiful country and beyond!

Ngā mihi nui,

Melissa
